PROFILE

A Computer Science graduate seeking an entry-level position to apply academic knowledge and technical skills in a dynamic and innovative environment. Eager to contribute to real-world projects, learn from experienced professionals, and grow within a collaborative team. Proficient in foundational computer science concepts.

Interests: Software Development | Web Development | Algorithms and Data Structures | Cybersecurity

EDUCATION

Bachelor of Science(B.sc), Computer Science   2018 – 2024
Nasarawa State University, Keffi.   Nasarawa, Nigeria.
Grade: Second Class Upper

CONTINUING EDUCATION

- Ethical hacking and cybersecurity

- Critical thinking and Problem Solving

- Artificial Intelligence principles and techniques

- Programming essentials in PHP

- Research Project Experience

PROJECT RESEARCH EXPERIENCE

Information Management System   08/2023 – 01/2024
Thesis, Department of Computer Science   Nasarawa, Nigeria
- Designed a Schematic and Developed a comprehensive Information Management System to streamline data organization and retrieval processes. Utilized PHP to create a user-

friendly interface, implemented robust database structures, and integrated advanced search functionalities.

- This system significantly improved efficiency and accuracy in data management, leading to positive outcome, e.g., reduced processing time, enhanced decision-making.

NOTABLE PROJECTS

Portfolio Website
- Designed and developed a dynamic portfolio website showcasing technical skills and creative projects. Leveraged programming language such as HTML, CSS, JavaScript to build an intuitive user interface and integrated for efficient development.
- The website effectively communicates technical expertise and professional experience, providing a valuable online presence

E-Commerce Web Application
- Developed a basic e-commerce website using C# and ASP.NET. Implemented core functionalities like product listing, shopping cart, and checkout processes. Utilized SQL Server to store product information and user data.
- The platform provides a simple and intuitive user interface for browsing products and completing purchases.

PROFESSIONAL LEARNING EXPERIENCE

BrandOne Technologies Limited   02/2022 – 10/2022
Intern   Abuja, Nigeria
Key Responsibilities
- Assisted in the design and development of software applications under key supervision of senior developers
- Engaged in learning and applying new programming languages and technologies to relevant projects
- Collaborated with team members to troubleshoot and resolve software issues
- Gained experience using version control systems like Git for project management
- Engaged in graphic design projects fostering new innovations.
- Project editing and Research

TEACHING EXPERIENCE

Christ Apostles Children Academy   07/2024 – Present
Head of Computer Department   Nasarawa, Nigeria
Key Responsibilities
- Responsible for developing and implementing a comprehensive curriculum aligned with industry standards.
- Creating an interactive learning environment that incorporates hands-on projects and emerging topics relevant to the student's development.
- Fostered an engaging learning environment that integrates emerging technologies into programs.
- Collaborated with fellow educators and industry partners to enhance learning experiences and promote community involvement.
- Mentor and support students in their academic journeys, helping them build skills in programming, web development and digital literacy.

SKILLS

TECHNICAL SKILLS AND SOFTWARE SKILLS
HTML5 and CSS3
JAVASCRIPT and DOM manipulation
PHP
Familiarity with Responsive Design Principles
C# and ASP.NET Framework proficiency
Experience with version control systems like GIT and GITHUB
Familiarity with some of the most popular Front End Libraries in the industry like BOOTSTRAP5.
Internet Research

NON-TECHNICAL SKILLS
Diligence, Agility and Adaptability
Interpersonal and Relationship Management
Superb Writing & Verbal Communication Skill
Excellent use of Microsoft Office Suit, Google Services and Google docs.
Comprehensive Technical Report Writing
